SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1

- 1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/No. Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?**

The Bank is committed to acting professionally, fairly and with integrity in all its dealings. The Bank, through the Group Code of Business Conduct & Ethics, has adopted a 'zero-tolerance' approach to bribery and corruption. The Bank has put in place an 'Anti-Bribery and Anti-Corruption Policy', which sets forth obligations on part of every employee for prevention, detection and reporting of any act of bribery or corruption. The Group Code of Business Conduct & Ethics which captures the behavioural and ethical standards along with the 'zero tolerance' towards bribery covers all subsidiaries of the Bank. The Code is applicable to directors and employees of the Bank as well as the directors and employees of the subsidiary companies.

- 2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management?**

The number of complaints received from shareholders in fiscal 2016 was 76 and all the complaints have been resolved.

With respect to employees, the Bank has a mechanism as provided under the Whistle Blower Policy whereby employees can raise their concerns. A report on the concerns received and the manner in which they are dealt with is periodically reported to the Audit Committee.

The Customer Service Council (CSC) of the Bank functions as the standing committee on Customer Service. The CSC is chaired by a Working Director. Business Heads and the Heads of related departments are members of the CSC. The CSC focuses on building and strengthening customer service orientation in the Bank through initiating various measures including simplifying processes for improvement in customer service levels. The Board of the Bank has constituted a Customer Service Committee which reviews the customer service initiatives, oversees the functioning of the CSC and evolves innovative measures for enhancing the quality of customer service and improvement in the overall satisfaction level of customers. Of the 2,887 complaints outstanding at the beginning of the year and 191,453 complaints received during the year, 190,940 complaints have been resolved.

Principle 2

- 1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities:**

The Bank provides sustainable banking products to cater to different classes of customers through an expansive network of branches, ATMs, mobile, phone, internet and doorstep banking. Customised products include personal loans, home loans, loans for asset purchases and a wide range of savings products. The Bank also offers a selection of cards for convenience to complement the distinct lifestyle needs of customers. In addition, the Bank's Rural & Inclusive Banking Group focuses on rural and below poverty line customers. For details, please refer the "Business Overview" and "Promoting Inclusive Growth" sections of the Annual Report for fiscal 2016.

Business Responsibility Report

The Bank through its Technology Finance Group (TFG) assists projects that relate to areas such as energy conservation, environment protection, education, health and sanitation. Some of the initiatives taken in this connection include afforestation initiatives in Chhattisgarh and Maharashtra, plantation crop initiatives for the benefit of tribal communities in tribal blocks of Wada, Vikramgad and Shahapur and supporting installation of solar system at 11 primary health centres of Nandurbar, Maharashtra.

ICICI Foundation focuses on the areas of elementary education, sustainable livelihoods, primary healthcare and rural development. For details, please refer the "Promoting Inclusive Growth" section of the Annual Report for fiscal 2016.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

Considering the nature of business of the Bank and the products/initiatives referred to above, some of the questions below are not applicable to the Bank.

i. **Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?**
NA

ii. **Reduction during usage by consumers (energy, water) has been achieved since the previous year?**
Please refer to the response under Principle 6.

3. Does the company have procedures in place for sustainable sourcing (including transportation)?

NA

4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

NA

5. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

Considering that the Bank is not a manufacturing unit, the waste generated at its offices is managed as per the waste disposal process. The Bank has procedures in place to dispose of e-waste through authorised e-waste vendors. There are sewage treatment plants at two of our large offices where waste water is entirely treated & re-utilised for gardening, flushing & cooling tower requirements.

Principle 3

1. Please indicate the total number of employees:

The Bank had 74,096 employees (including contractual employees) at March 31, 2016.

2. Please indicate the total number of employees hired on temporary/contractual/casual basis:

The Bank had 447 employees at March 31, 2016 on fixed term contract.

3. Please indicate the number of permanent women employees:

The Bank had 18,807 women employees at March 31, 2016.

4. Please indicate the number of permanent employees with disabilities:

The Bank does not specifically track the number of disabled employees. The Bank is an equal opportunity employer and treats all employees at par. Based on the income tax declarations which enable claiming income tax deduction for self-disability, the Bank had 85 such employees.

5. Do you have an employee association that is recognised by management:

No

6. What percentage of your permanent employees are members of this recognised employee association?

NA

7. Please indicate the number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

The Bank does not engage in any form of child labour/forced labour/involuntary labour and does not adopt any discriminatory employment practices. The Bank has a policy against sexual harassment and a formal process for dealing with complaints of harassment or discrimination. The said policy is in line with relevant Act passed by the parliament in 2013. The Bank, through the policy ensures that all such complaints are resolved within defined timelines. During the year, 87 cases were reported and were disposed off.

8. What percentage of your under mentioned employees were given safety and skill up-gradation training in the last year?

- Permanent employees
- Permanent women employees
- Casual/temporary/contractual employees
- Employees with disabilities

Employee health and safety is of prime importance to ICICI Bank. The Bank conducts robust and periodic training like advanced and basic fire safety training, first aid and Cardio Pulmonary Resuscitation (CPR) training and evacuation related training for floor marshals and employees across offices and branches. Periodic fire evacuation drills were conducted at the office locations as well as branches, to sensitise employees about fire safety norms and regulations. The Bank has tie-ups with vendors to educate and demonstrate use of fire-fighting equipment to branch staff.

The Bank conducts comprehensive safety training for women employees where they are trained on situation reaction and self-defense and updated on legal provisions relevant to their safety. The Bank has launched a Quick Response Team (QRT) to respond to women employees if they are in distress while commuting. Each QRT is a specially equipped vehicle. It is GPS enabled and carries a stretcher and fire extinguishers along with a team trained to deal with medical and personal safety related emergencies. In fiscal 2016, the Bank launched iTravelSafe, a mobile application, to support women employees. This app tracks the location of women employees (subject to their consent) while commuting to and from work with facility to send distress signals when required.

The Bank continues to focus on skilling employees with the requisite knowledge and skill. The Bank has training centres where various training programmes, designed to meet the changing skill requirements of its employees are conducted. These training programmes include orientation sessions for new employees, programmes conducted by various skill-enhancing, role specific functional academies, leadership mentoring programmes and other management development programmes for mid-level and senior executives. In addition to classroom training, e-learning programmes are also available for employees.

In fiscal 2016, the Bank delivered an average of around nine learning mandays covering all employees including permanent women employees and employees with disabilities.

Principle 4

1. Has the company mapped its internal and external stakeholders? Yes/No

Yes

2. Out of the above, has the company identified the disadvantaged, vulnerable & marginalised stakeholders

The Bank is guided by Reserve Bank of India (RBI) prescribed guidelines on priority sector lending, lending to small and marginal farmers, lending to weaker section etc., and government-led initiatives to improve access to financial services, and insurance and pension cover for reaching out to disadvantaged, vulnerable and marginalised stakeholders.

Business Responsibility Report

3. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalised stakeholders. If so, provide details thereof, in about 50 words or so.

ICICI Foundation undertakes a number of initiatives for the under-privileged, including a large scale skill development initiative. The Bank's Rural & Inclusive Banking Group focuses on rural and below poverty line customers. For details, please refer the "Promoting Inclusive Growth" section of the Annual Report.

The Bank is taking steps to enable easier access to the Bank's branches and ATMs for the physically challenged and is also providing facility for the visually challenged to transact at ATMs. The Bank through its Technology Finance Group has provided soft loan/grant assistance to entities engaged in a number of activities that benefit the under-privileged, including skill development, healthcare, medical research & treatment facilities, school education and training doctors & nurses

For further details, please refer the "Business Overview" and "Promoting Inclusive Growth" sections of the Annual Report of fiscal 2016.

Principle 5

1. Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

The Bank's philosophy of non-discrimination among employees, meritocracy and mechanisms for redressal of employee issues applies across the Bank and its subsidiaries.

ICICI Bank follows the code issued by The Banking Codes and Standards Board of India which covers aspects like good & fair banking practices, transparency in services & products, high operating standards, cordial relationship with consumers & measures which build confidence of the consumer in the banking system.

The Bank also seeks to ensure that there is no discrimination in selection of suppliers and vendors, and has put in place a grievance redressal mechanism for the same.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

Please refer response to question number 2 under Principle 1.

Principle 6

1. Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

As outlined under Principle 2, the aspects outlined under this Principle are not substantially relevant to the Bank given the nature of its business. The Bank complies with applicable environmental regulations in respect of its premises and operations. Further, the Bank participates in initiatives towards addressing environmental issues.

2. Does the company have strategies/initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

Yes. As an environmentally responsible corporate, ICICI Bank has been striving towards imbuing green sustainable products, processes, policies and practices. 'Go Green' is an organisation-wide initiative that promotes cost efficient environment-friendly automated channels and building awareness and consciousness of our environment among employees. The new branches/offices have been designed such that they are equipped with energy efficient air conditioners, LED lights, motion detector sensors and other energy conservation measures. Energy conservation measures such as installation of energy efficient equipment, chillers and pumps are some of the key initiatives taken by the Bank. About 410 of the Bank's rural branches are powered through rooftop solar panels, and solar power is being used in one of the large office premises as well.

To reduce paper consumption, ICICI Bank emphasises the use of alternate banking channels like internet banking, mobile banking, phone banking, insta-banking, ATMs, fully electronic branches and tab banking. ICICI Bank has moved from paper intensive processing to image based electronic processing. The Bank has endeavoured to reach

out to the customers and seek their collaboration in the 'Go Green' movement, encouraging online bill payment, online funds transfer and subscribing to e-statements to migrate customers to 'paperless' and 'commute-free' modes of conducting banking transactions.

The Bank also adopted corporate objectives for environment conservation activities in conformity with the ISO-14001 standard "International Organization for Standardization" for environmental management systems. This enables the organisation in developing policy and objectives for addressing the twin objectives of environmental sustainability and assessment of impact of Bank's activities, products and services on the environment. The Corporate headquarters of ICICI Bank was ISO-14001 (Environmental Management Systems) certified in March 2016.

The Bank has received awards and recognitions for its green initiatives and energy conservation efforts as detailed below:

1. National Energy Conservation Award organized by BEE, Ministry of Power, Government of India
2. National Awards for Excellence in Energy Management-2015 by CII
3. Prize in 10th State Level Awards for Excellence in Energy Conservation & Management by MEDA (Maharashtra Energy Development Agency)
4. IGBC "Platinum" rating for an ICICI Bank branch in Green Interiors category. It was the first site in the country to be rated "PLATINUM"

3. Does the company identify and assess potential environmental risks? Y/N

The Bank is aware of the potential environmental risks and participates in initiatives as mentioned above to address the environmental concerns. The Bank complies with applicable environmental regulations in respect of its premises and operations. The Bank also requires the borrowers of project loans to comply with the various national environmental standards.

4. Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

The above question is not applicable to the Bank as it is not a manufacturing company. However, the Bank assists projects that promote bio-diversity and environmental sustainability and projects that reduce greenhouse gas emissions.

5. Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

As outlined above, the Bank participates in several initiatives in the area of environment sustainability.

6. Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?

The Bank complies with applicable environmental regulations in respect of its premises and operations.

7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

There were no outstanding notices at March 31, 2016.

Principle 7

1. Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

The Bank is a member of various trade bodies and associations such as the Indian Banks' Association and Confederation of Indian Industry in India and Institute of International Finance. Senior management of the Bank are members of various committees constituted by government, regulators and industry bodies.

Business Responsibility Report

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

The Bank, through trade bodies and associations, puts forth a number of suggestions with respect to the economy in general and the banking sector in particular. The Bank, directly, and along with ICICI Foundation has been working on several initiatives for promotion of inclusive growth. The Bank and ICICI Foundation partner with the state governments and other organisations to promote initiatives in the field of elementary education, sustainable livelihoods, primary health and rural development. Further, the Bank provides funding for research & development.

The Wholetime Directors and members of senior management participate in various committees/ working groups constituted by the Government of India and the Reserve Bank of India

Principle 8

1. Does the company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.

The major initiative taken up is in the area of skill development through the ICICI Academy for Skills. The ICICI Academy provides vocational training to youth from economically weaker sections to help them earn a sustainable livelihood. As of March 31, 2016, there were 22 training centres across the country, including 10 centres exclusively for women. ICICI Academy has tied up with over 800 industry partners to provide employment opportunities to the trained youth. During fiscal 2016, the Bank and ICICI Foundation launched GiftALivelihood, a referral programme for tapping deserving candidates for ICICI Academy through the website www.giftalivelihood.com.

The Bank also pursues initiatives in the area of rural development, including efforts to improve financial inclusion and provide access to savings account, insurance and pension products.

For details, please refer the "Promoting Inclusive Growth" section of the Annual Report.

2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/any other organization?

The projects/programmes are undertaken primarily through in-house teams and ICICI Foundation, with the assistance of implementation partners as required.

3. Have you done any impact assessment of your initiative?

Periodic reviews are undertaken on various projects. The Bank's initiatives in the area of rural development, particularly with regard to progress made in providing access to banking and financial services to underprivileged customers are reviewed regularly. In addition, ICICI Foundation assesses the impact of all programmes undertaken by it. Baseline and endline research studies, process documentation and impact evaluation are carried out for the initiatives undertaken. For instance, in fiscal 2016, an impact assessment was conducted on the project to address under-nourishment among children. The results of ICICI Foundation's skill development initiatives are evaluated based on the number of youth trained and their employability.

4. What is your company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken.

The Bank has spent ₹ 1.72 billion in fiscal 2016 on corporate social responsibility related activities. The expenditure has been undertaken primarily on skill development and sustainable livelihoods, elementary education and primary healthcare, rural development related activities like financial inclusion and financial literacy and contribution for relief and welfare in flood-affected areas.

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

Community development forms the core for all initiatives undertaken by the Bank. The programmes of ICICI Foundation are designed to reflect the needs of each target population. ICICI Foundation encourages the active engagement of

key stakeholders such as the Governments, NGOs, Panchayati Raj Institutions (PRIs), communities and other local institutions in the project planning and implementation to facilitate developing and building community ownership while ensuring the sustainability of the programmes. The Bank's other initiatives in the area of rural development are focused on providing opportunities to target customers to improve their livelihood.

Principle 9

1. What percentage of customer complaints/consumer cases are pending as on the end of financial year.

The Bank resolved 98.2% of customer complaints/consumer cases during fiscal 2016.

2. Does the company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. /Remarks (additional information).

This aspect is not applicable as the Bank is not a manufacturing company. The Bank complies with disclosure requirements relating to its products and services.

3. Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.

In the ordinary course of banking business, several customers and borrowers have disputes with the Bank which could result in their filing a civil suit, criminal complaint or a consumer complaint alleging deficiency of services. The Bank always strives to have a cordial relationship with its customers/ borrowers and attempts to have an amicable settlement of the dispute but in some cases needs to pursue legal resolution of the same.

4. Did your Company carry out any consumer survey/consumer satisfaction trends?

The Bank on a continuous basis measures the satisfaction levels of customers transacting across various touch points. As part of this exercise, which is referred to as FOCUS (Feedback of the Customer), the customer's feedback and satisfaction levels with the transaction experience are measured. Approximately 76,000 customers were contacted every month for their feedback in fiscal 2016. This feedback is then analysed and the insights from the same are implemented to improve products and processes and enhance the service quality of the Bank.

Besides, the Bank also conducts a detailed Customer Satisfaction Study (C-SAT) annually. Existing customers of various products are met for a detailed interview where their feedback regarding the product and channel experiences are captured.

In addition, extensive diagnostic research in specific areas is conducted on a regular basis. The focus of the research is to identify areas of improvement in the products and services of the bank and define appropriate steps for improvement.
