Transformation in the financial sector

Technology

Globalization

Liberalization

... are bringing about a fundamental change in financial sector business models
Change in business models

Emergence of integrated universal banks

Demanding and sophisticated customers
Globalization
Shareholder returns
Technological innovation

... as evidenced by the international precedents in universal banking
Universal Banks

... many international players have realized the benefits of universal banking
The benefits

- Economies of scale through volumes in
  - Operating costs
  - Technology deployment
- Economies of scope
  - Large product suite
    - Cross-selling potential
- Optimization of Human capital
- Optimization of Financial capital

... all leading to the development of a more robust financial system
ICICI has harnessed some of the above benefits by transforming itself into a virtual universal bank over the last five years
ICICI group today - a virtual universal bank

Retail Financial Services
- ICICI
- ICICI Bank
- ICICI Capital
- ICICI Prudential
- ICICI Web Trade
- ICICI PFS
- ICICI Home

Internet
- B2B
- Consumer Finance Portals
- Web Trade
- Venture Capital

Corporate Financial Services
- ICICI
- ICICI Bank
- ICICI Securities
- ICICI Brokerage
- ICICI Venture
- ICICI Infotech
- ICICI Lombard

Technology Platforms
- Payment Gateway
- Customer Relationship Management
- Financial Vertical
- Web Technologies

... based on key building blocks present across the group
ICICI group's strategy for success

Building blocks

- Organizational Values
- Human Capital
- Speed Capital
- Brand Identity
- Knowledge Capital
- Technology Capital

The building blocks supplemented by organizational changes have created the right combination for achieving leadership.
ICICI’s leadership

- With these building blocks ICICI has built its
  - Strong brand identity
  - Technology enabled delivery channels
    - Largest network of ATMs in India
    - Highest number of Internet banking registrations
  - Large product suite
    - Largest auto financier
    - Largest incremental issuer of cards
      - Credit cards, debit cards and ATM cards
  - Amongst the first banks in India to commence lead generation for Insurance products
Current operating environment

● Blurring of boundaries amongst financial intermediaries
● Increasing competitive pressures
● Universal banking provides competitive advantages in the current environment through
  ● Large product suite
  ● Diversified resource base
  ● Economies of scale and scope
  ● Optimization of Human and Financial capitals

... providing a strong business logic for merger of ICICI and ICICI Bank
Strong complementary organizations

ICICI
- Large capital base
- Diversified and de-risked assets
- Strong brand
- Well established corporate relationships

ICICI Bank
- Largest private sector bank
- Strong retail franchise
- Technology leader among banks

... having similar operating architecture, people and processes. This merged entity is consequently well-positioned to harness synergistic advantages and thereby provide benefits to both ICICI and ICICI Bank
Benefits of merger

**ICICI Bank**

- “Forward leap” in the hierarchy of Indian banks
  - A discontinuous jump in size and scale
- Achieve size and scale of operations
  - Leverage ICICI’s capital and client base to increase fee income
  - Higher profitability by leveraging on technology and low cost structure
- Offer a complete product suite with immense cross-selling opportunities
  - ICICI’s presence in retail finance, insurance, investment banking and venture capital
- Access to the ICICI group’s talent pool
Benefits of merger

**ICICI Bank**

- Improved ability to further diversify asset portfolio and business revenues
- Lower funding costs
  - Ability to accept/offer checking accounts
  - Availability of float money due to active participation in the payments system
  - Diversified fund raising due to access to retail funds
- Increased fee income opportunities
  - Ability to offer all banking products

*Merged entity would have key competitive advantages and would be a more efficient provider of capital*
Competitive advantages of the merged entity

- Large capital base
- Complete product suite
- Extensive customer relationships & strong brand franchise
- Vast talent pool
- Technology-enabled distribution architecture
- Low operating costs

...after the merger, the combined entity would be the second-largest bank in India, with an asset base of over Rs. 1 trillion
Merger process - highlights

- Valuation
  - Independently appointed investment bankers
    - ICICI - JM Morgan Stanley
    - ICICI Bank - DSP Merrill Lynch
  - Jointly appointed independent accountant to recommend the final exchange ratio
    - Deloitte, Haskins & Sells appointed
    - Recommended one share of ICICI Bank for two shares of ICICI, which was approved by the respective Boards
Merger process - highlights (contd.)

- Transfer of ICICI’s shareholding in ICICI Bank to an SPV prior to the merger
  - Divestment in FY2003 by way of appropriate placement
- Consolidation of retail operations
  - Merger of ICICI PFS and ICICI Capital Services with ICICI Bank
Merger process - regulatory issues

- Merger effective on
  - March 31, 2002 or the date of RBI approval, whichever is later
  - Shareholders’ approval
  - High court approval

- Accounting for the merger in line with international best practices
  - Purchase method, mandatory under US GAAP, to be adopted under Indian GAAP as well
In conclusion

The merger will create a strong entity, which will redefine banking in the highly competitive era of globalization and liberalization.

Safe Harbor

ICICI Limited and ICICI Bank expect to make available Notice of the Shareholders’ Meeting, a copy of the Scheme of Amalgamation and an Information Statement to shareholders of ICICI Limited and ICICI Bank and the investors in each company’s ADSs. These documents contain important information about the merger. Shareholders and investors in the ADSs are urged to read these documents carefully when they are available. Free copies of these documents may also be obtained from ICICI Limited and ICICI Bank.

ICICI Limited’s and ICICI Bank’s filings with the Securities and Exchange Commission are also available to the public from commercial document-retrieval services or from the website maintained by the SEC at www.sec.gov.
Safe Harbor

This presentation contains forward-looking statements based on the current beliefs and expectations of ICICI Limited’s and ICICI Bank’s management and are subject to significant risks and uncertainties. Forward-looking statements include the information concerning possible or assumed future results of operations. Actual results may differ from those set forth in the forward-looking statements. These uncertainties include: the ability to obtain governmental and other approvals of the merger on the proposed terms and schedule; the failure of ICICI Limited and ICICI Bank shareholders to approve the merger or the failure of the High Courts of Mumbai and Gujarat to approve the Scheme of Amalgamation; the impact of the regulations applicable to banks under Indian law to which the business being conducted by ICICI would for the first time become subject consequent to the merger; the risk that the businesses will not be integrated as swiftly as planned; the risk that the revenue synergies and cost savings from the merger may not be fully realized or may take longer to realize than expected; disruption of the merger making it more difficult to maintain relationships with clients, employees or suppliers; the effect of economic conditions and interest rates on a national, regional or international basis and market volatility in the securities markets or foreign exchange rates or indices; the risk of new and changing regulation in India and internationally; competitive pressures in the financial services industries; and unfavourable political or other developments in Indian or international markets.
Safe Harbor

*These uncertainties may have an adverse effect on the results of our operations, financial condition, liquidity and the price of our equity shares and our ADSs. Additional factors that could cause ICICI Limited’s and ICICI Bank’s results to differ materially from those described in the forward-looking statements can be found in the 2001 Annual Reports on Form 20-F of ICICI Limited and ICICI Bank, filed with the SEC and will be contained in the Information Statement.*
Thank You
