- **Instant cash:** You can shop with the card or withdraw local currency from ATM's – 24x7 in any country.
- **Payment of university fees:** Some universities accept payment through the travel card online or with a normal swipe transaction.
- **Free insurance:** Most banks that offer travel cards also offer comprehensive travel insurance cover for the trip.
- **Free replacement card:** Your pre-paid travel card comes with a replacement card. If you lose your card, simply call up the issuing bank and they will deactivate the primary card, activate the replacement card and transfer the balance to it.
