A TIMES BUSINESS ASSOCIATE COMMUNICATION

Beware of online frauds!

How can you protect yourself from e-mail frauds?

- Never trust e-mails offering overseas employment opportunities that sound too good to be true.
- Ignore e-mails that ask you to deposit funds in advance as a condition to your receiving some prize money.
- Fraudsters often operate under names that look very similar to the official names of long-standing and reputed companies. Be vigilant.
- Never deposit cash or cheques in any unknown bank account.
- Do not make a hasty decision to reply to any e-mail that makes big promises.
