

Joint Declaration Form for allowing Premature Repayment of Term Deposits:

Joint term deposit holder/s (Fixed Deposits & Recurring Deposits having mode of operation as 'Either or Survivor' or 'Former or Survivor') can now opt for premature termination of the Term Deposit when such request for premature termination is placed in accordance with the MOP. Depositors willing to avail this option shall need to consent to such declaration at the time of placing Term Deposit. Existing joint depositors can also avail this option by consenting to this by way of a separate form.

By providing their consent to the declaration/signing the separate Joint Declaration Form, the joint term deposit holder/s can avail the following benefits:

- In case of death of joint account holder, surviving depositor/s can prematurely withdraw the Term Deposit in accordance with the chosen mode of operation without seeking the concurrence of the legal heirs of the deceased joint deposit holder.
- Easy and convenient way to withdraw term deposit/s prematurely by any joint account holder/s in accordance with the chosen mode of operation without taking concurrence of the other joint account holder/s.
